## INFORMATION ON THE THERMOSTAT:

No.	RUVILLE ref.	OE ref.
1	65323T	1338052

### IMPORTANT NOTE:

Adhere to the manufacturer's specifications and recommended replacement intervals at all times!

Picture 1: 55302701

The RUVILLE water pump repair kits 55302701 and 55302702 now also include the thermostat 65323T.

### Reason:

The replacement of the defective thermostat also requires the removal of the toothed belt. To avoid a cost- and time-consuming subsequent repair we recommend that the thermostat be replaced along with the toothed belt.

Picture 2: 55302702

### INFORMATION

The RUVILLE toothed belt, like all components included in the kit, is supplied in genuine top-grade OE quality.
