65468	030 121 005N
	030 121 008D
	030 121 008K

## AFFECTED WATER PUMP KITS:

55428701 u. 55428721

## INSTALLATION INSTRUCTIONS:

- Before installation of the new water pump, clean the sealing surfaces on the engine side.
- Replace the coolant completely and purge the cooling circuit

## IMPORTANT NOTE!

Note the specifications of the vehicle manufacturer!

In accordance with the OE stipulations, RUVILLE has changed the design of the named pump from plastic impeller to metal impeller.

During the changeover period, it is possible for mixed stocks of both versions to occur. Both versions comply with the technical requirements and can be used without restrictions for the vehicles stated in the catalogues.
