

Conversion kit tensioning unit 55093 to replace tensioning arm 55025

Technical info no. 2096

Applies to make/model:

BMW E34, E36, E38, E39, E46, E53, E60, E61, E65, E66, E83, Z3, Z4

Applies to engines:

E34	520, 525
E36	320, 323, 325, 328
E38	728
E39	520, 523, 525, 528, 530
E46	320, 323, 325, 328, 330
E53	3.0
E60	520, 525, 530
E61	520, 525, 530
E65	730
E66	730
E83	2.5, 3.0
Z3	2.0, 2.2, 2.8, 3.0
Z4	2.2, 2.5, 3.0

Applies to part no.:

No.	RUVILLE ref.	OE ref.
1.	55025	11 28 1 427 252
2.	55093	11 28 1 722 789
		11 28 1 748 131

The mechanical tensioning arm 55025 has been replaced by the hydraulic conversion kit 55093.

The conversion kit includes all parts required to fasten the hydraulic unit and the roller (see Picture 3) tightly.

The parts come with all relevant mounting instructions.

Important note:

Adhere to the manufacturer's specifications at all times!
