

## Passion for quality down to the smallest detail: MEYLE water pumps engineered to last!

**Because we want you to be on the safe side.**

MEYLE quality campaign: Water pumps with SiC/SiC mechanical seal. The material's superior hardness sets it apart from the quality standards typically found on the aftermarket, delivering extraordinary durability and

increased service life while minimising friction.

Leading car makers also rely on this type of sealing which is fitted in MEYLE water pumps.

**Guaranteed to resist extreme temperatures and ageing** – sealing boot made from high-performance elastomer (HNBR)

**The corrugated spring** ensures even load distribution

**100,000 miles performance guarantee for all MEYLE water pumps!\***

**As hard as a diamond** and extremely resistant to abrasive materials: the specially developed silicon carbide SiC/SiC mechanical seals

**Housing** made from high-grade stainless steel

This image shows just one of many applications. The design may vary for other water pump models.

Performance **GUARANTEE**  
**100,000 miles**
