

Replacing the power steering pump JPR580

Always replace the pressure line as well as the connecting piece between power steering pump and pressure line to ensure reliable sealing between power steering pump and pressure line after replacing! The connecting piece is used to connect the pressure line to the pump.

Note: There are two different connecting pieces!

Connecting piece 21 mm
Ford OE number: 4747355 (7C34 3F656 AA)
Volvo OE number: 31202975

Connecting piece 18 mm
Ford OE number: 6742740 (F33C 3F656 BA)
Volvo OE number: 30671314
