

Assembly instructions for deflection pulley 532 0446 10 in Renault F4R engines

Vehicle manufacturer:	Renault
Models:	Clio II, Espace III, Megane I, Scenic I, Thalia
Engine:	2.0
Engine codes:	F4R 700, F4R 701, F4R 720, F4R 722, F4R 730, F4R 738, F4R 740, F4R 741, F4R 744
OE-No.:	82 00 064 664 (grooved deflection pulley)
Item no.:	532 0446 10 (grooved deflection pulley)

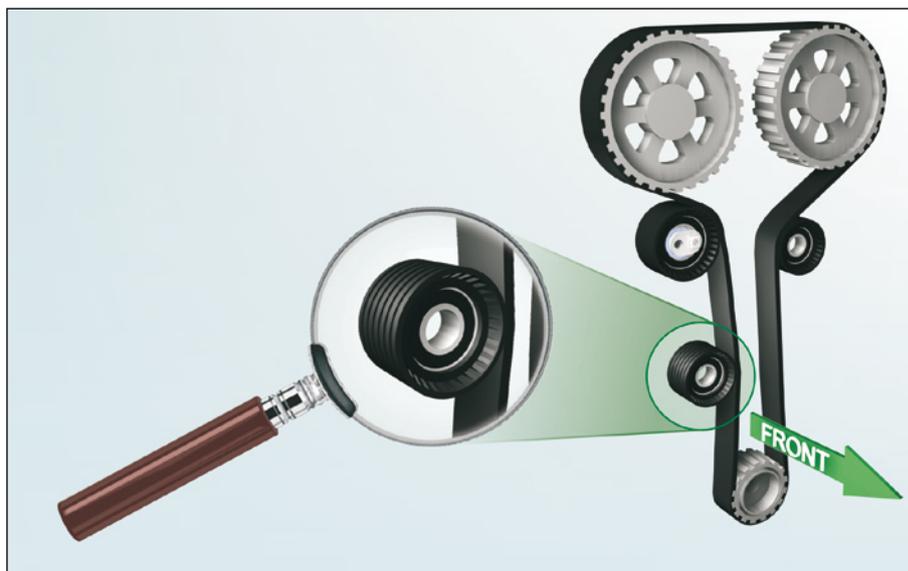

Image 1: Belt path and pulley positions in the F4R engine

A tensioner pulley and two deflection pulleys are installed in the Renault engines listed. The deflection pulley highlighted in image 1 features a grooved race to prevent unwanted whistling noises from the timing belt.

To ensure this functionality, do not swap the two deflection pulleys!

The correct positions of the individual components are displayed in image 1. Deflection pulley **532 0446 10** with the grooved race is always found on the side of the tensioner pulley in the engines specified.

Note the specifications of the vehicle manufacturer!

Image 2 shows the content of tensioner pulley kit **530 0342 10**, which contains all of the parts required to change a timing belt:

- (1) 536 0260 10 Timing belt*
- (2) 531 0630 10 Tensioner pulley
- (3) 532 0308 10 Smooth deflection pulley
- (4) 532 0446 10 Grooved deflection pulley
- (5) Crankshaft timing pin blanking plug*
- (6) Crankshaft timing gear bolt*
- (7) Camshaft cap 1*
- (8) Camshaft cap 2*

*) not available separately
