### IMPORTANT NOTE!

Note the specifications of the vehicle manufacturer!

Image 1: 55242 – with grey pulley

Image 2: 55242 – with black pulley

RUVILLE provides two different versions for the item number 55242

The fundamental difference between the two tensioning arm designs is the colour of the pulley and the coating of the fixing bolt.

However, there are no technical differences. Both tensioning arms can be used without restrictions for the specified vehicles.
