Image 1: previous design

Image 2: new design

As part of our continuous efforts to improve our products changes have been made to the deflection pulley, item no. 55867.

This Technic Information sheet shows the visual features of the previous (Image 1) and new (Image 2) version.

During the transitional phase, we may have mixed stocks of both types.

Both versions meet the relevant technical specification and can be used without restrictions.

INFORMATION

The corresponding spare parts can be found in our online catalogue at www.ruville.de
