IMPORTANT NOTE!

The new over-running alternator pulley from RUVILLE meets the technical requirements in all points and differs only visually.

Note the specifications of the vehicle manufacturer!

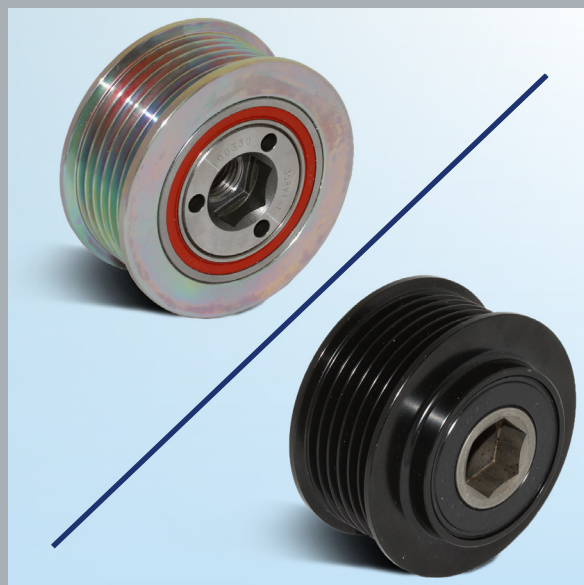

Image 1: Previous designs Toyota (silver), Kia/Hyundai (black)

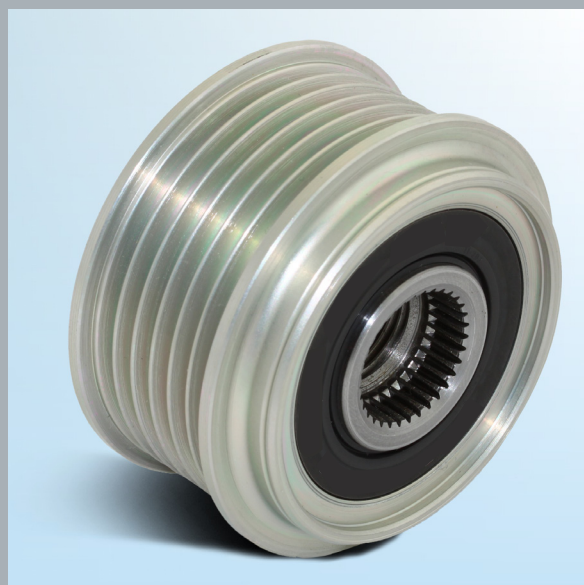

Image 2: New design 59982

Different versions of the over-running alternator pulley can be installed in the models mentioned above. Image 1 shows the two over-running alternator pulleys installed by the respective vehicle manufacturer.

RUVILLE now offers one over-running alternator pulley (Image 2) that covers the models listed from all three manufacturers.

INFORMATION

Corresponding spare parts can be found in our online catalogue at www.ruville.de. Where reference is made to the spare parts numbers of the vehicle manufacturers, this is only for the purposes of comparison.
