

# DEFLECTION PULLEY 55637

TECHNISCHE INFO No. 1117

## VEHICLE MANUFACTURER / MODELS:

**Renault** | Megane III, Megane CC, Scenic III, Grand Scenic III

## APPLIES TO ENGINES:

H4J 700

## APPLIES TO PART NO.:

RUVILLE-No.	OE-No.
55637	119230001R (plastic pulley) 119238274R (metal pulley)

### IMPORTANT NOTE!

The deflection pulley made from metal can be replaced with one made from plastic without any restrictions.

Note the specifications of the vehicle manufacturer!

Renault installs two different versions of the deflection pulley in the accessory unit drive in the models specified above (image 1). The vehicles can be equipped with a deflection pulley made from either plastic or metal.

RUVILLE offers a deflection pulley made from plastic for all models (image 2). This pulley meets all technical requirements in full and can be used without any problems in all vehicles.

**Image 1:** Both versions of the deflection pulley

**Image 2:** RUVILLE deflection pulley made from plastic with dust cap

### INFORMATION

Corresponding spare parts can be found in our online catalogue at [www.ruville.de](http://www.ruville.de). Where reference is made to the spare parts numbers of the vehicle manufacturers, this is only for the purposes of comparison.
