

Optimised tension roller 55430

Technical info no. 1960

Applies to make/model:

Seat: Cordoba, Ibiza
Volkswagen: Polo

Applies to engines:

1.4i 16V AFH

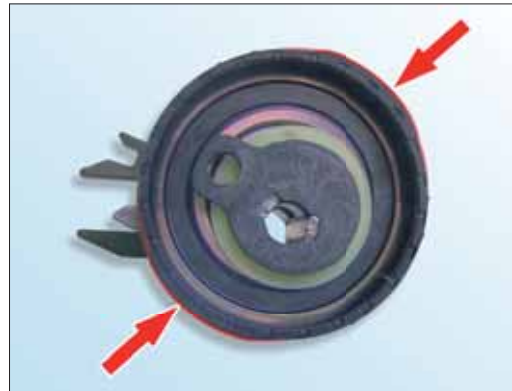

Applies to part no.:

No.	RUVILLE ref.	OE ref.
1.	55430	036 109 243 J (current)
		036 109 243 G (replaced)
		036 109 243 D (replaced)

The tension roller 55430 (sinus pulley) is noise-optimised and specially designed to the specification of the a.m. applications.

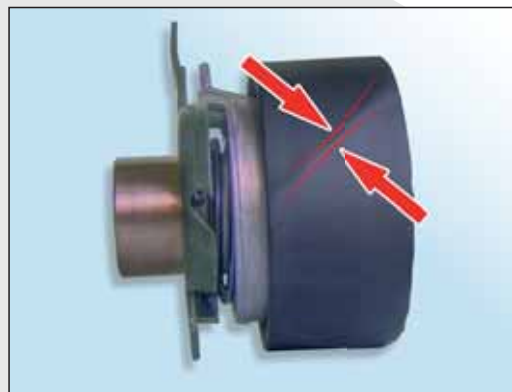

Important note:

The atypically modelled running surface is not a manufacturing defect.

Picture 1: 55430 (front view)

The red markings (see arrows in picture 1 and 2) highlight the special design features.

Picture 2: 55430 (side view)

The running surface of the tension roller features diagonally designed elevations.
