		9400829669	Fiat, Lancia
		9400829929	

The three diagrams show the tensioning pulley 55949 in three different versions. The major differences are the seals of the ball bearing, the base plate and the cam.

All versions are supplied with the same screw and can be assembled in accordance with the instructions provided by the manufacturer.

IMPORTANT NOTE:

Despite the different versions, the tensioning pulley can be used on all the vehicles listed in the catalogue.
